Last year, our supporters brought 2 million nutritious meals to 18,000 fragile animals in every district of New York. In addition, more than 12,200 volunteers collectively spent 45,576 hours visiting and delivering meals to our neighbors. Citymeals funds 33 community-based agencies to make weekend, holiday and emergency meals home-bound for elderly New Yorkers who no longer shop or cook for themselves. In 2012, Citymeals was expanded with two new programs to ensure the proper nutrition of frail elderly New Yorkers. Citymeals has expanded its Mobile Food Pantry service in Flushing and Cambria Heights in Queens to now provide additional shelf-stable food for vulnerable seniors most at risk in these neighborhoods, the South Bronx, Upper Manhattan and parts of Brooklyn. In addition, Citymeals is partnering with GrowNYC to deliver fresh, locally grown products to meal recipients in Manhattan and Queens. Please remember 100% of all public donations go to the preparation and delivery of meals.
